Chapter 1 by Phantim

She had wanted and trained all of her life to become a member of the hero society, only to be rejected because her breasts were too large.

Chapter 2 by Story Girl

"We can't show your smutty body on the news every time you save someone," they had told her.

Chapter 3 by Lady Jla

"Not that I can control genetics" she said to herself checking in the full length mirror adjusting the sweater trying to minimize the size of her chest.

Chapter 4 by Phantim

She could have gotten a surgery to reduce the size of her mammoth mammores. but she didn't want to change herself just to please some council of sycophants.

Chapter 5 by CubeSmp Has Cube

Eventually she decided to embrace their larger than average size, instead of arguing with the jealous, small breasted.

Chapter 6 by Phantim

The council, however, wasn't prepared to leave her alone.

Chapter 7 by Karapian

They devised a plan in whcih they were to knock here out, and perform surgery and her breast since they really did see potential in what skills she had.

Chapter 8 by Phantim

They were going to force their ideals on her in a horrible way that defied God's own design for her, for he was the sculptor of her DNA and has bestowed her with large breasts for a reason.

Chapter 9 by Karapian

Luckily for her, she had friends within the council who heard about these devious and mischevious plans, and took it upon themselves to thwart them and alert her of the situation.

Chapter 10 by Phantim

Yet even among allies there can be enemies. Her safety was anything but assured...
